Dear Ross,

I have no footage of myself that is not the property of someone else.

I have only some of what you may have seen. And it is just stacked, not organized in any way. So, I do not have the right to give that to anyone to use anyway.

I am willing to be interviewed on camera. I have only one stipulation: that I not be used to give any of what I regard as the nuttiness credibility.

As I may have told you, I keep convoluted hours. I must be abed before 6 pm and it takes a little time for me to get ready.

Best,
